Message

Dear Ms. Dillard:

Further to our telephone conversation, we have attached the complete application with drawings, the declaration, the transmittal letter and the recordation cover sheet with the executed assignment.

Christie Warner

If there is a problem with transmission or all pages are not received, please call Christine Warner at (613) 233-1781 extension 7295 for retransmission. This message is intended only for the use of the individual or entity to which it is addressed, and may contain information that is privileged, confidential and exempt from disclosure under applicable law. If the reader of this message is not the intended recipient, or the employee or agent responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution or copying of this communication is strictly prohibited. If you have received this communication in error, please notify us immediately by telephone (call us collect), and return the original to us by postal service at the address noted above. Thank you.

Message

Dear Ms. Dillard:

We have attached the date stamped post card from your office showing receipt of our application.
I have also attached a brief history of this file to assist you in trying to locate it.

The transmittal letter authorized the direct debit from our account number 07-1750.

Christie Warner

In re Patent Application of DIACONESCU, Luca, R.; and GAGNON, Ronald J.:

Serial No. : Group Art Unit :
Filed : September 20, 2000 Examiner :
For : System and Method for Generation Of Large Concatenated
Payloads
Date : September 5, 2001 Docket No. : 08886705US

Ms. Delore Dillar
Patent Department
United States Patent and Trademark Office

History of Missing File

Further to our telephone conversation yesterday, I have enclosed for your convenience a brief history of this missing file.

September 20, 2000

Application, Abstract, declaration drawings and assignment were couriered to USPTO

October 3, 2000

Received postcard from USPTO advising documents received September 21, 2000

January 11, 2001

Received Notice of Non-Recordation of Document (ID No. 101514585) and all documents originally filed September 20, 2000. Spoke to Marcus Kirk Examiner Assignment Division who advised to return all documents to him

May 2, 2001

Spoke to Marcus Kirk who advised to be patient because they were experiencing a huge backlog.

June 5, 2001

Spoke to Mr. Kirk who suggested I speak to Mr. Jones (legal) who said he could not do anything for me because I did not have a serial no., he suggested I speak to Ms. Ivey who said they were still sorting through a huge backlog and to phone back in a couple of weeks.

July 13, 2001

Spoke to Ms. Ivey, she said they were swamped and to call back in two weeks.

Page 2

July 17, 2001

Received voice message from Ms. Ivey, because she found the file but it was the wrong file 09/663,823 (same inventors but not same application)

July 25, 2001

Spoke to Ms. Ivey who suggested I speak to Ms. Dillar. Left voice message for Ms. Dillar

July 30, 2001

Left detailed voice message for Ms. Dillar

August 21, 2001

Phoned Ms. Ivey and she gave me a new number to reach Ms. Dillar (703) 305-7654

August 21, 2001

Left detailed phone message for Ms. Dillar

August 22, 2001

Left detailed phone message for Ms. Dillar

August 23, 2001

Left detailed phone message for Ms. Dillar

Ms. Dillar returned to my call and I gave her the detailed history of this file. Also advising that the same two inventors sent a new application in September 15, 2000 and gave her the serial no. She said she was going on a week holiday and would get back to me when she returned.

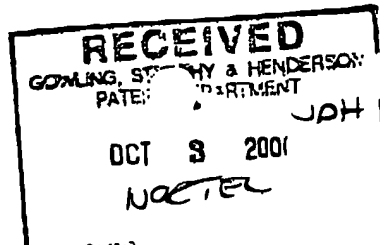

September 4, 2001

Ms. Dillar phoned and said she had the 09/663,823 file in front of her. She checked to see if the missing file was attached but it was not there. Ms. Dillar requested that I fax her the post card and she will advise me what the next move is.

September 5, 2001

Faxed to Ms. Dillar the copy of the date stamped postcard and a brief history of the file.
